Anssems MULTIPURPOSE TRAILERS **MSX**

MSX, the ideal vehicle transporter

For the transportation of lawn mowers, small excavators or cars, Anssems offers the MSX multipurpose trailer solution. Especially for intensive use and up to a weight of 3500 kg the MSX series is designed to carry either tracked or wheeled vehicles. To accommodate all type of uses the MSX is equipped with a 405 x 200 cm aluminium floor, 251 cm long ramps which are neatly stored beneath the trailerfloor and multiple strapping options. The 3000 and 3500 kg models are equipped with a winch. The which can be mounted on the left or right hand side of the headboard.

**“THE MSX-3000
CAN CARRY ALL MY
MAJOR TOOLS”**

MSX 2700 (without winch)

MSX 3000, MSX 3500 (with winch)

Safe and strong

The robot welded steel and fully galvanized chassis creates a robust MSX multi-transporter. The chassis offers maximum floor support to the ribbed aluminium floor. Thanks to the low Load height and long ramps, the MSX has a shallow loading angle. So almost any vehicle can be transported. The optional wheelstop and straps are easy to mount due to the specially designed recesses. The entire MSX range is 100% wood free giving years of trouble free use.

Aluminium floor

Aluminium ramps of 300 cm on the MSX2700

Steel ramps of 250 cm on the MSX 3000 and MSX 3500

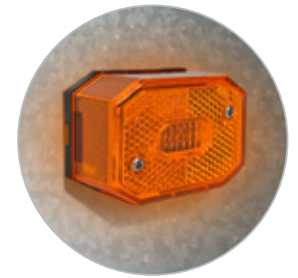

In length adjustable and rotatable winch

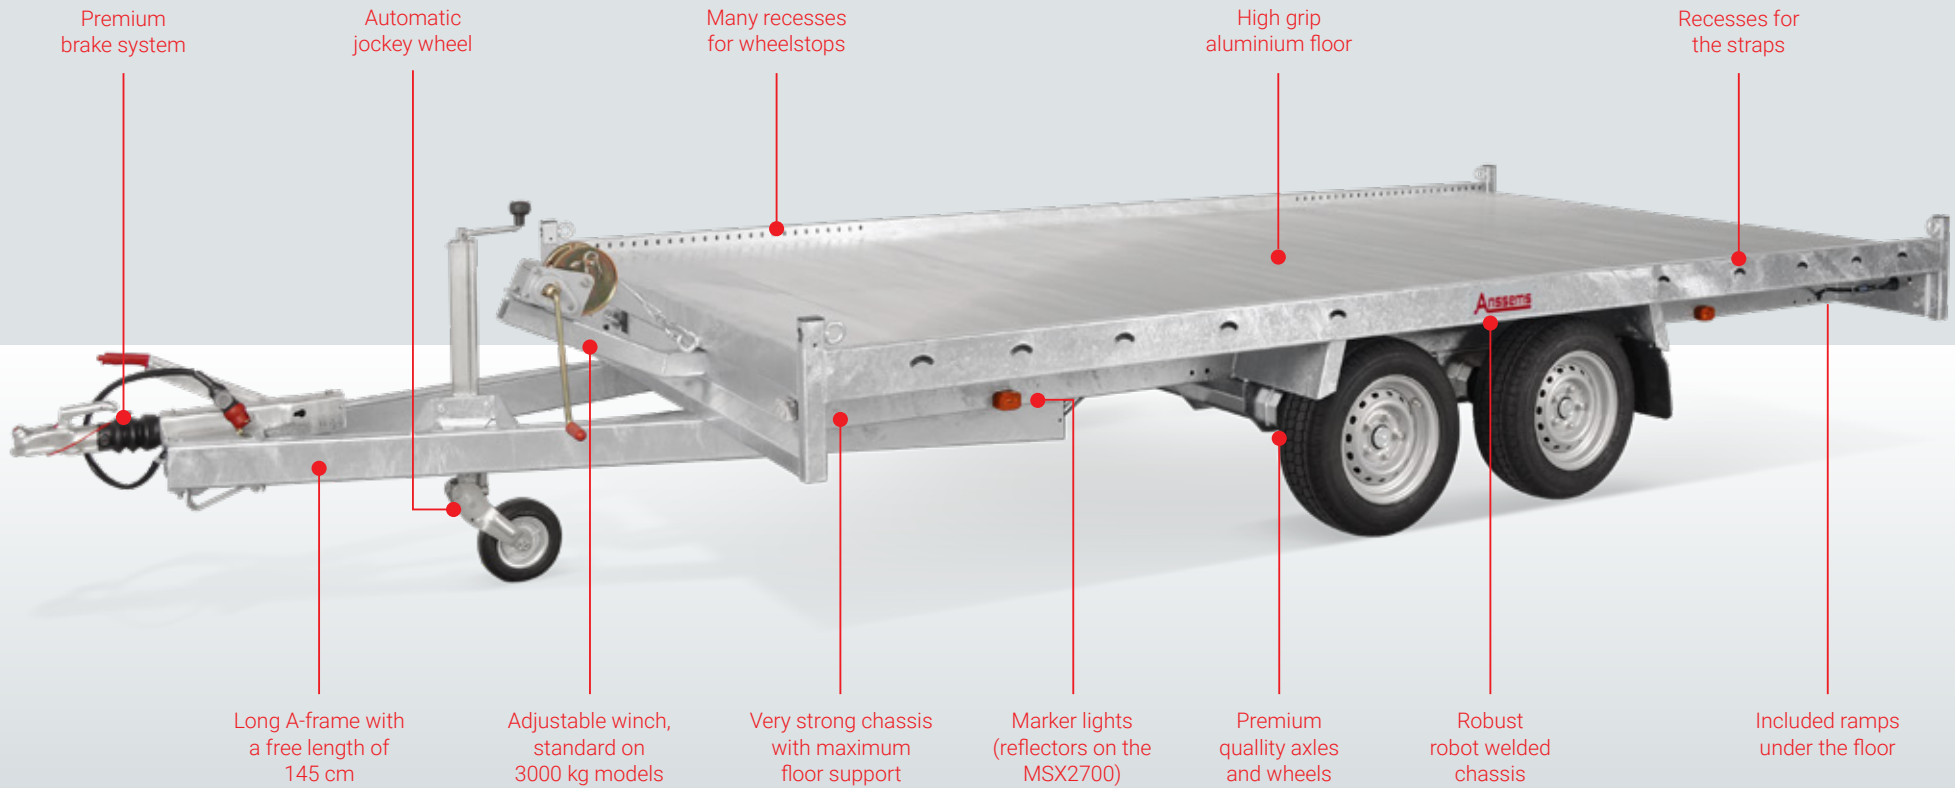

Very strong chassis for maximum floor support

Recesses for tie-down possibilities

Marker lights

Premium brake system

Automatic jockey wheel

Many recesses for wheelstops

High grip aluminium floor

Recesses for the straps

Long A-frame with a free length of 145 cm

Adjustable winch, standard on 3000 kg models

Very strong chassis with maximum floor support

Marker lights (reflectors on the MSX2700)

Premium quality axles and wheels

Robust robot welded chassis

Included ramps under the floor

More possibilities with the MSX

Thanks to the wide range of accessories the Anssems MSX range is incredibly versatile. For example, propstands offer extra stability during loading and un-loading. Mount the MSX axle shock absorbers for more driver comfort. Do you want extra tie-down options? Use the wheelstops. The jockey wheel features a unique lift up system keeping it out of harm's way.

**"I USE THE MSX
DAILY FOR ALL MY
TRANSPORTS"**

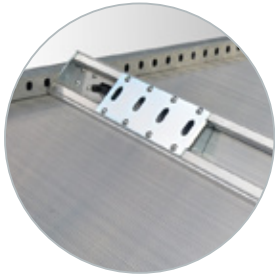

The advantage of extended panels

Do you want to transport more than just vehicles? Then choose the aluminium extension sides. The Anssems MSX can now be used to transport bulk items such as building materials. The steel corner posts are standard equipped with tie hooks.

Tie hooks in the cornerposts

Accessorie: wheelstop with tie-down possibilities

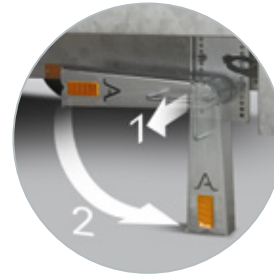

Accessorie: Easyfix straps

Accessorie: axle shock absorbers vor extra driving comfort

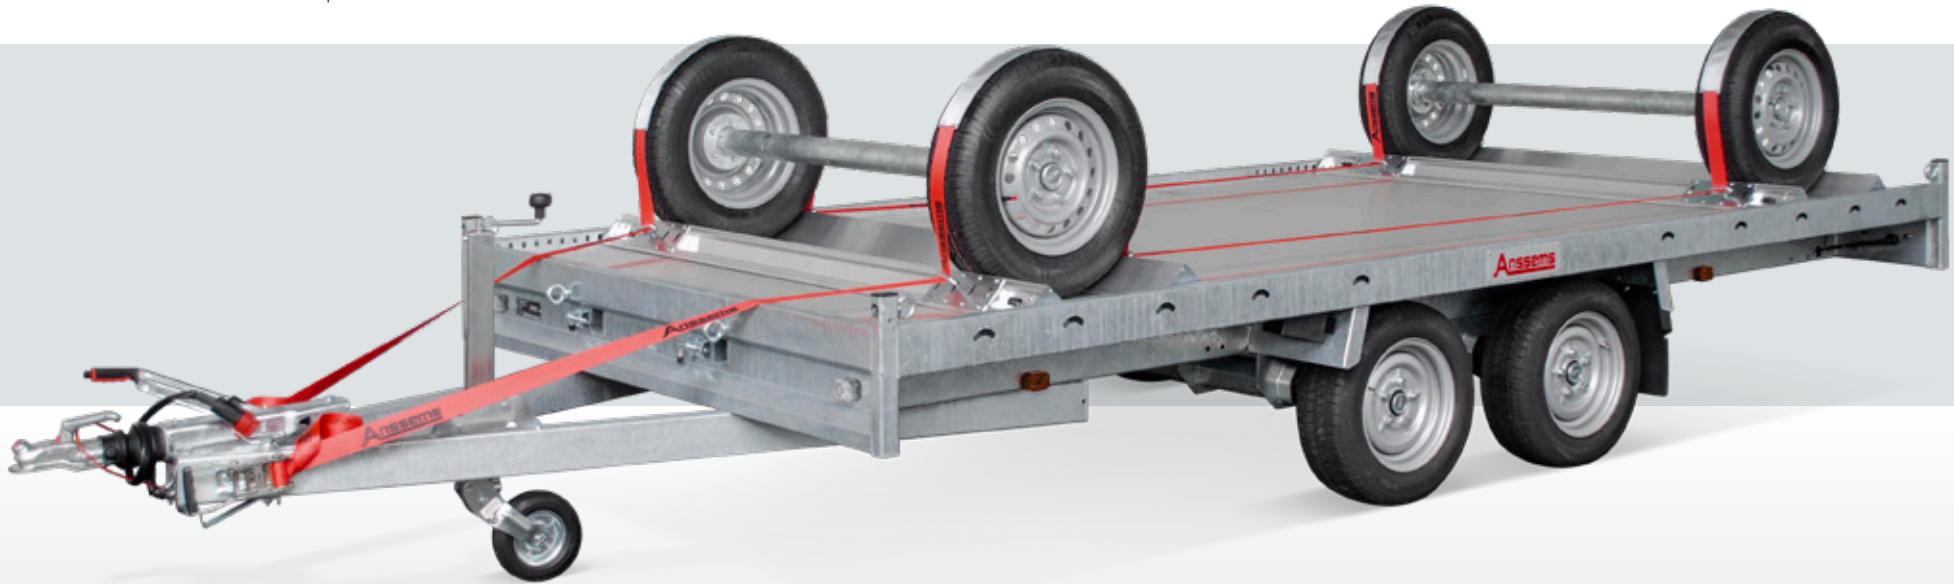

Accessorie: steel ladder rack

Accessorie: propstands

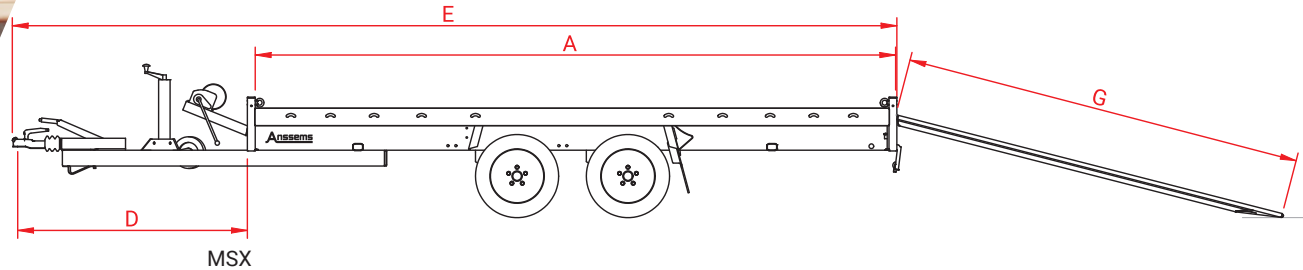

Accessorie: Position lights (LED)

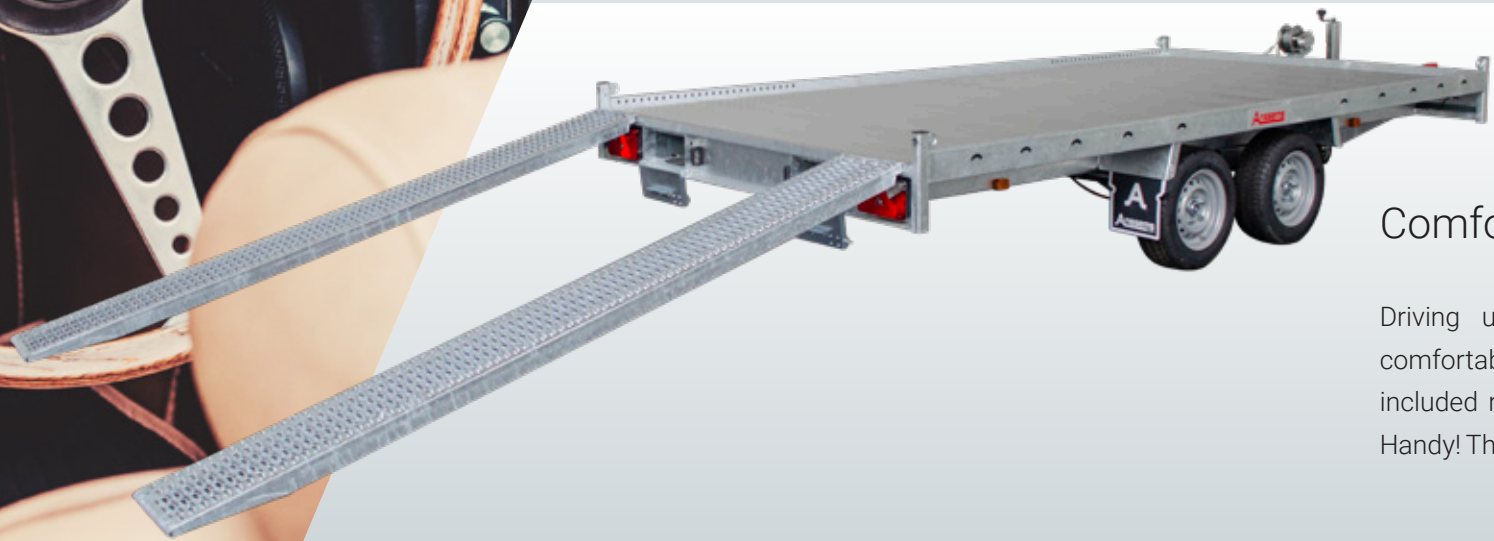

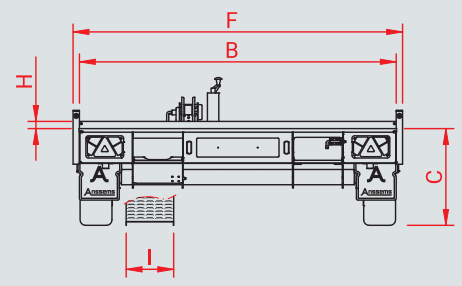

Easyfix-system

Secure vehicles quick and safely by using the wheelstops in combination with the easyfix strap set.

“AFTER THE CLASSIC CAR SHOW WE HAVE A SAFE HOME JOURNEY”

Comfort during entry and exit

Driving up and down the MSX models is comfortable due to its low loading floor. The included ramps are stored in the ramp holders. Handy! The ramps are always within hands reach.
